What is Alcohol Innerview?

Alcohol Innerview is an online assessment and feedback tool that helps students to investigate their drinking behaviors and consequences. It provides personalized information so students can make more informed decisions regarding their future use of alcohol. Students assigned to Alcohol Innerview because of a judicial violation are required to meet with Jessica Greher, Assistant Director, Health Education and Prevention to review their results.

How do I take it?

To log into Alcohol Innerview, you will need access to the Internet.

1. Go to: http://www.alcoholinnerview.com
2. Under “New User,” enter the following Login ID: AI0000067
