What is the E-CHUG?

The E-CHUG (Electronic Checkup to Go) is a free, confidential, online assessment for students who wish to learn more about their drinking behaviors and any risks that may result.

How do I take it?

1. To take the E-CHUG please visit the following link:

   http://interwork.sdsu.edu/echug2/Bentley

2. You will be directed to a startup page. Click on the begin button and record your ID number below.

   E-CHUG ID______________________________

   You can use this ID number to take the assessment over again at a later date. This way you can compare your answers each time.

How do I receive credit for completion?

Once you have completed the survey, you will receive immediate, personalized feedback. In order to receive credit for completing the E-CHUG, you will need to do the following:

1. Once you have read your feedback, select the “Verification of Completion” button located on the right hand side of the Making Changes Tab.

   Please Note: You cannot select this option without viewing all of the feedback.

2. Once you select this option, you will be asked permission to report your completion. When prompted, please have your results emailed to either jgreher@bentley.edu or GA_Alcohol_and_Drug_Education@bentley.edu.

3. After confirming permission, you will then be directed to a page of reflective questions based on the feedback you received.

4. Please answer the questions thoughtfully and submit. You will not receive credit for one-worded or one sentence answers

All answers to your questions will be sent to Jessica Greher, Assistant Director, for Wellness and will remain confidential. You will be contacted should Jessica have any follow up questions about your responses.
Once these answers are received, Jessica will notify Student Life of Completion of the program. If there are any questions about your responses, she will contact you directly.

Please check in with your RD, or hearing officer to ensure you have completed your requirements.
