

Fraternity & Sorority Life | **Historical Membership Trends (2010-2018)**

Since 2010, interest in joining Fraternity & Sorority Life (FSL or Greek Life) at Bentley has consistently increased. The share of undergraduate **students affiliated with a fraternity or sorority chapter increased from 9% to 17%** over the past eight years – to a total of 765 active members in Spring 2018. There has been steady growth across consecutive years in both the number of students affiliated with a chapter and the number of new members joining the community.

The average spring fraternity new member class size has been about 12 students each year; however, from 2011 to 2017, the average sorority class size almost doubled, increasing from 18 to 34 students. **The establishment of Kappa Delta in Fall 2018 will provide a fourth sorority chapter to support this increase in interest and ensure new member class sizes remain sustainable.**
